

SAFETY ALERT PATROL

HEROES GUARDING ANGELS A NATIONAL NONPROFIT

For School Boards, Church Leadership
& Facility Administrators

VETTED GUARDIANS FOR YOUR FACILITY AT ZERO COST. EVER.

Safety Alert Patrol (SAP) connects America's schools, churches, and medical facilities with rigorously vetted, retired military veterans and law enforcement officers. Guardians never pay. Organizations never pay. SAP is funded entirely by corporate sponsors, private donors, and foundation partners.

67%

of public schools recorded a violent incident in one school year (NCES)

<1 in 2

schools have an SRO present even once a week (NCES, 2023-24)

4 in 5

churches have no armed security at services (Lifeway Research)

200K+

service members transition out of the military every year (DoD)

HOW IT WORKS

01 REGISTER FREE, 5 MINUTES

Your facility creates a free account and tells us what you need.

02 SAP MATCHES & CONNECTS

We connect the right vetted guardian to your institution. No cost, no obligation, no staffing markup.

03 YOUR COMMUNITY IS PROTECTED

Sponsors, donors, and foundations fund the gap you never see a bill.

OUR VETTING PROCESS

Honorable discharge verification

Federal background check

Sex offender registry check no exceptions

Drug screening

Document authentication

SAP does not provide security training we recruit professionals who are already trained and mission-ready, and we verify their credentials are real.

WHAT WE NEED FROM YOUR BOARD

Register your facility (free, takes 5 minutes) at app.safetyalertpatrol.org/signup

Tell us your coverage needs arrival, dismissal, services, events

Meet your matched guardian and confirm the fit SAP supports you after the introduction

Alignment support for hardening mandates such as Texas HB 3 and Florida's MSD Act
